This is the Organization's application for Charity Care or Discount Payment financial assistance. If you have any questions, the contact information is above.

To be considered, please complete this application to help the Organization determine whether you may qualify to receive Charity Care (free care) or a Discount Payment (reduced but not free care). Even if you apply, we cannot guarantee that you will qualify. A written response will be provided to all patients supporting approval/denial after we receive your completed application and documentation.

The Policy only applies to medically necessary services provided by Cedars-Sinai Medical Center, Cedars-Sinai Marina Hospital, Cedars-Sinai Medical Care Foundation ("CSMCF"), Huntington Hospital, Huntington Health Physicians (each separately, the "Organization") as well as by faculty physicians in their capacity as faculty, physicians employed by medical groups that have a professional services agreement with the Organization, and the Cedars-Sinai Medical Center emergency physicians.

You may submit the completed, signed and dated application by mail or email.

- A completed application must include the date and signature of the applicant.
- There are no required deadlines for applying.
- In addition to the application, **provide proof of income documentation** for both you and your spouse/partner (if married, in a civil union or a domestic partnership). This documentation will be either:
    - **Recent tax returns** (These document a patient's income for the year in which the patient was first billed or 12 months prior to when the patient was first billed.)
    - **Recent paystubs** (Within a 6-month period before or after the patient is first billed by the Organization or in the case of pre-service, when the application is submitted.)
- Missing or unattached documents may cause a delay or denial of financial assistance.

PLEASE NOTE: If you are uninsured and meet specific Medi-Cal presumptive eligibility criteria, you are not required to complete this application.

Patients will not be required to apply for or enroll in any insurance or benefit program, including Medi-Cal. However, the Organization may request a Medi-Cal eligibility screening (without requiring formal application) and will provide patients with information and assistance to understand potential Medi-Cal benefits.
